A God-blessed April to all! We have been living the Lenten period, with its fast and services, and now rejoice at the approach of Pascha, the “Feast of Feasts and Festival of Festivals.”

As I mentioned last month, the area parishes have been liturgizing for the Pre-sanctified by taking turns. We began at Saint George with myself as liturgist; then, Father Tom served at Saint Luke; Fr. Chris will serve at Holy Trinity. Everyone has commented how meaningful the services have been, and how the fellowship has strengthened their faith.

On April 10, we will return to Saint Luke for Liturgy, and our speaker will be Fr. Ephraim Peters, who serves the Saints Constantine and Helen parish in Chicopee. We thank God for all the opportunities for fellowship, instruction and inspiration as well!

One of the highlights in this Lent will take place, by the grace of God, on April 14. On this day, two wonderful people, Mariah Rizas and James Desautels, will be received into the Orthodox Church through Holy Chrismation (after nearly a year of instruction and services!). Please pray for them and their sponsors.

Because of this auspicious event, Godparent Sunday will be held on this date as well, April 14. So, please come to Church with your God-child and celebrate the special bonds of Christian baptism and chrismation.

Our GOYA will also participate in the 30 Hour Famine once again this year, during the weekend of April 12-14. Please keep them in your prayers as they fast for thirty hours and raise funds for distribution to the poor overseas. As you always do, please support them in this effort.

O Holy Apostle and Evangelist Luke, intercede with our Merciful God, that He may grant our souls remission of sins
— Apolytikion of Saint Luke
Finally, Holy Week approaches on Sunday, April 21 (Palm Sunday). I know there are workdays and coming to the services is sometimes a struggle, especially for parishioners who live far from the Church. Please make an effort to attend the evening services. I will explain why: because they allow us to walk with the Bridegroom Christ on the way to the Cross.

Holy Thursday evening, when we read the twelve Gospels, reminds of the emptying of self of the Son of God. He, to Whom the most honor is due, is caricatured and treated as a thief. Yet the two axes of the Cross, vertical and horizontal, remind us of the love of God and the love we must have for our neighbor, as everything meets and is reconciled in the human heart.

Yes, embrace the approach of Holy Week! Whatever failings we have as human beings, God can transfigure – but we have to want that to happen as well. Open your heart to the Lord, and He will look for a place to rest. Ask Him to cleanse it, and He will rest there.

May you and your families have a most rewarding Holy Week. Pascha approaches!

With love in the Lord,
+ Fr. Panteleimon

Feast

Saturday of Lazarus

According to an ancient tradition, it is said that Lazarus was thirty years old when the Lord raised him; then he lived another thirty years on Cyprus and there reposed in the Lord. It is furthermore related that after he was raised from the dead, he never laughed till the end of his life, but that once only, when he saw someone stealing a clay vessel, he smiled and said, "Clay stealing clay." His grave is situated in the city of Kition, having the inscription: "Lazarus the four days dead and friend of Christ." In 890 his sacred relics were transferred to Constantinople by Emperor Leo the Wise, at which time undoubtedly the Emperor composed his stichera for Vespers, "Wishing to behold the tomb of Lazarus . . .”

Apolytikion of Lazarus Saturday

O Christ our God, before Your Passion, You raised Lazarus from the dead to confirm the common Resurrection for all. Therefore, we carry the symbols of victory as did the youths, and we cry out to You, the victor over death, "Hosanna in the highest. Blessed is He who comes in the name of the Lord."
April is going to be a busy month for Philoptochos. We have many things planned.

Palm folding will take place on Saturday, April 20. A thank you goes out to Stephanie Bologa for chairing the Palm Folding. Everyone of all ages are welcome to participate.

Epitaphios Decorating will take place on Good Friday - April 27 at 10:00 a.m. A thank you goes out to Leia Georgeopolus and Christina Nikolis for chairing the event. Everyone of all ages are welcome to participate.

Monetary donations are being accepted for the Easter Food Outreach. The suggested donation if $35 but any and all amounts are needed and greatly appreciated.

We are always looking for helping hands. Volunteers are needed for the Bread Bake Shop - we will be baking bread for the Easter Bake Sale on Friday, April 12 at 10:00 a.m. We need helping hands to make the bread.

Thank you all who helped at the Koulouria Workshop that took place on Saturday, March 30.

Easter Lilies will decorate the alter. We will need helping hands to water the plants. We are also looking for a volunteer to create and compile the commemorative Easter Flower Booklet.

Did you also know that 300 red eggs are dyed for Anastasi? We need volunteers to dye eggs - a dozen or two and we will supply the tulle and ribbon. Please consider dyeing a dozen or two by signing up at the Philoptochos table or contact any board member.

Please contact any Philoptochos Board member if you will be able to help with any of these items.

Just a reminder - the last day to order Easter Lilies is Sunday, April 14. All Easter Bread and Koulouria orders end on Sunday, April 7. Pick-up for these breads and cookies is are to be picked up on April 14 & 21.

Please save the date for Sunday, May 5 for our Quarter Auction Fundraiser. We need your help to make this event successful. Volunteer opportunities needed. This event is to benefit the scholarship fund for our St. Luke high school & college graduates.

I wish everyone a very happy spring and Easter.

Dear Fellow Parishioner;

STEWARDS OF THE FAITH: All Things are Possible to the One Who Believes in Christ

“God loves a cheerful giver!” 2 Corinthians 9:6-7

During this time of Great Lent, we fast, we repent, we pray.

THIS is Stewardship.

WE give of ourselves because “whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.”

You have recently received your giving statements for 2018. On behalf of the Stewardship Committee and your brothers and sisters in Christ, we want to Thank You for your generosity. Please take a moment to review your statement for accuracy and if you think there are any errors or omissions, please contact Paula in the church office.

We also want to take this opportunity to remind those who have yet to send in their 2019 pledge forms, to please do so at this time. This information is vital in planning our resources moving forward for all Time, Talent and Treasure. While St. Luke’s has been blessed with a generous endowment, we would like to remind everyone that these funds cannot be used for our operating expenses. Our beloved St. Luke’s needs you now more than ever.

We thank you for your continued support.

Love in Christ,

Joe and Meghan Dasco
Stewardship Committee

Start the Day with a Grateful Heart!

We are grateful for everyone who has sponsored this ministry in the past year and some for helping multiple times!

Fellowship time /coffee hour is a vital ministry of church - please consider signing up and stewarding a Sunday fellowship.

Make it as simple as you like- it is all appreciated. Sign up with others - it becomes another opportunity for fellowship.

It is a beautiful offering to remember someone or show friendship and gratitude to those around you. It is one of St Luke’s hallmarks of philoxenia (showing hospitality to others).

Coffee is made for you and plates and cutlery are all provided. All you need to do is bring something to share and help with clean-up afterwards.

We thank all who sponsored in the month of March and gratitude also for the to cleanup help

Current openings for hosting are:

May 12, 19. & 26

I want to assure the seniors that are worried about the Endowment bylaws that we are looking up to the leadership of Jim Bologa. Once Jim is settled in his role, we are going to address the Endowment bylaws. Our intention is to take what is currently a good bylaw and make it better. We welcome all the seniors that want to join us in ratifying the bylaws. We don’t only welcome your input, we cherish your input. Please reach out to Jim, should you want to contribute.

The budget shows us off balance by about $19K for 2019. I am excited to share that the parishioners have been coming with various ideas to raise money. We like to see that every steward raises their stewardship by $100 a year or whatever one can. By doing so, the budget will be balanced. Also one idea was adopted by the Parish Council that came from Parris Ochsner to raise funds by raffling a new car. This idea is still fresh, we need a chair person along with a small committee to steer the ship.

Again, may the blessings of our Lord and Savior, grant you a healthy and happy Lent.

Kindest regards,

Assaad Andrew Hallak
Parish Council President.

Sunday of Orthodoxy
40 Day Blessing of our newest little Parishioner Juliana Grace, daughter of Lyle and Christina Govoni. God Bless them.

On Saturday March 30th, Haralambos Zaharis, who has been a monk at the Saint Nektarios Monastery in Roscoe, NY for the past few years (with the name Chrysostomos), was ordained to the Holy Diaconate by His Eminence Archbishop Demetrios of America. We pray for Dn. Chrysostomos and say AXIOS!
The Quarter Auction is coming.......wondering what it is?? Are you wondering how it works??? Are you wondering what will be included??

Let's fill you in!! This is a Family Friendly Event. All ages can play and enjoy. A Quarter Auction is a cross between an auction and BINGO! Purchase your paddle or paddles at the door. Paddles will be 1 for $3 and 2 for $5. All paddles are numbered. You can pick your lucky number(s) when getting your paddle.

An item will go up for auction, the value of the item will determine how many quarters you will need to be part of the auction. For example, an item with a $40 or more value will cost everyone who wants to be apart of the auction 4 quarters per paddle. You can bid with one paddle, both paddles or no paddles depending on if you wish to win the item. The more paddles you have it will increase your chances of winning. If you decided to bid on the item and placed your quarters in the bucket at your table, you raise your paddle(s). Similar to BINGO, a number will be pulled, if your paddle matches the number pulled you win the auction item.

You can purchase as many or as few paddles as you would like. Bring your own quarters if you wish or quarters will be available for purchase.

In addition to the auction, we will have vendors selling their products, raffles, and concession. We hope you will plan on joining in on this FUN event and support the scholarship fund.

Any questions or additional information, stop by the Philoptochos Table.
It’s that time of year again...Dancing With Heart 2019 is right around the corner!

Last year DWH sold out two months before the event. This was great in some ways and not so great in others. Since some of our own parishioners could not get tickets to the event because of that, everyone on St. Luke’s mailing list received the DWH 2019 packet in January...about 3 weeks before it was put out to the public. We wanted to ensure that our parishioners had the opportunity to be part of this great event that boosts our church’s finances by an amount only surpassed by the Taste of Greece.

Although we have had some response from parishioners who will be able to join us for the evening, we know that not everyone can attend for one reason or another. So, we wanted to ensure that everyone is aware of the other ways that this charitable partnership between your church and Shriners Hospitals for Children-Springfield can be supported. We are working on a program book that will hopefully include ads from businesses here in East Longmeadow as well as from surrounding areas. Many of our parishioners also have businesses that they may want advertised as well. Also accepted are personal ads wishing the church, Shriners Hospitals for Children, the event, and/or the dancers well. This year we have two St. Luke parishioners and one St. George parishioner dancing...Sophia Zaharis, Christos Kalaitzidis, and Steve Nemphos. A message to show they are supported by fellow parishioners would be very meaningful. We have offered many giving levels available for participation in this book giving people the opportunity to do what they can to help the success of this event. Please remember that April 13th is the deadline for our program book.

Another means of supporting this event is to make a donation to the event itself. Remembering that the monies earned by DWH not only help in the medical treatment of the children at Shriners Hospital but also help with the running expenses of your church...two worthy causes. As well as donating to the event itself, you can also denote that your donation be credited to a specific dancer in honor of the time, energy and cost of lessons they have put in to help our church and Shriners Hospital for Children-Springfield.

Our committee is working very hard to meet or surpass last year’s total. In whatever way you can show your support of this event, be assured that it will be appreciated by St. Luke and Shriners Hospital for Children-Springfield.
St. Luke parishioners donate monthly meals for approximately 150 guests to the soup kitchen at South Congregational Church. The meals are delivered by Bill Sakel on the third Friday each month. Please contact Barbara Hallak (860)729-9643 bhhallak@cox.net if a group, family or friends would like to assist in meal preparation.

Our parish has a large graduating class and all proceeds from this event will support the scholarship fund.

In order to have a successful event, we need your help. We are in need of raffle items such as restaurant gift certificates, service gift certificates, movie passes, gift baskets to name a few. If you or a family member/friend has a business and can make a donation . . . wonderful! If you would like to purchase an item for the raffle . . . great! If you would like to make a monetary donation, we can do the shopping to create a basket!!!

We would appreciate raffle items no later than Sunday, April 21 so that we can plan accordingly.

We hope you will plan on supporting this event by attending and donating a raffle item.

If you have any questions, please contact any Philoptochos Board Member.

. . . Did You Know?

What is the difference between a Compline, Pre-Sanctified, and Salutations service?

Compline — in the monastic tradition, this service of repentance is read after the evening meal and before sleep. Here we sing the hymn “Lord of the Powers, be with us; for in times of distress, we have no other help but You; Lord of the Powers, have mercy on us.” We will have Compline on most Monday evenings during Lent.

Pre-Sanctified Liturgy — Exclusively a Lenten service, it is a Eucharistic liturgy where the Gifts have been already sanctified at a prior Sunday Liturgy. It is attributed to Saint Gregory the Great, and includes also hymns from vespers. The Pre-Sanctified is served on a Wednesday evening; in some parishes it is also on a Friday morning.

Salutations — This is a service during the first four Fridays of Lent, with the fifth Friday service known as the Akathist. The hymns are connected to the Feast of the Annunciation and revolve around the intercessions of the Panagia, the Mother of God, as she prays for us in our daily struggles.
